FIFTH SUNDAY IN ORDINARY TIME

Dear Friends,

Old Man Winter certainly flexed his muscles this week! I hope that the challenging weather was not too problematic for you. **This week we celebrated Catholic Schools here in the Archdiocese.** We are particularly blessed to have one of the unique gems in the crown here at St. Paul's at our choir school. There were many creative ways that the students and staff were able to enjoy these days, and we are grateful to them all, and to their families, for making this community the vibrant and outstanding place of learning, faith, and music that it is. (By the way, we are in the enrollment and fundraising phase for next year; if you know of a boy for whom this school could be as life changing as it has been for so many, please invite them to check us out!)

What is a Super Bowl without Tom Brady AND home baked goods?! Make sure you have both! The annual and popular **parish "Bake-a-Thon"** unfortunately will not take place this weekend in person at the church this year, but it can take place in the comfort and safety of your own home! The idea is to invite **everyone in the parish to make a pie/bake at home during Super Bowl Weekend, February 6 and 7**, as a parish community activity. Bake, and **send pictures of the festivities** to Nancy in the Parish Office (nnicol@stpaulparish.org) and we will post them on the parish website. And because this has always been a fundraising event for the parish, we would ask that **donations of \$20** be sent to the Parish to help assist with our Confirmation program. We look forward to your being part of this great parish tradition!

I would invite you to see two invitations for more parish wide projects announced here in the bulletin. We will take the opportunity to send **Valentine's Day cards** to those who are not able to join us physically here at the church (let us know if you have someone we should reach out to!), and we will also be asking you to assemble and drop off **"Fresh Start" bags** of small items for our homeless sisters and brothers. Thanks to those who will oversee these community-minded and Gospel-centered initiatives! **NB: Cards have to be delivered to the parish no later than Sunday, February 7 and Fresh Start kits no later than Thursday, February 11.**

I would encourage you to join in for a wonderful talk this **Saturday, February 6 at 4:00pm** with the renowned historian **Fr. John O'Malley, SJ**. You can register on the Harvard Catholic Forum website.

We are grateful to **Deacon Bobby LeBlanc who is organizing an online Lenten Adult Education program.** We will be sharing Bishop Barron's wonderful series on *The Eucharist* and will also facilitate online discussion. Please keep watch for more details! We are happy that the number of people joining us **for Eucharistic Adoration on Fridays from 11:00am-12:00pm** is growing. Along with the quiet prayer, you can also be uplifted by the singing of our youngest choir school members! We hope that you can join us and stay for Mass.

COVID-19 has pushed us to do more online offerings. We have a BRAND NEW website for the Harvard Catholic Center. Also, be sure to listen to our new podcast "Within the Walls of St. Paul's" where you can hear all the homilies from the previous weekend. You can also catch Fr. George's ongoing series on the Harvard Catholic Center YouTube channel: Harvard Catholic Center. And Fr. Patrick has a new podcast called "The Harvard Catholic" which premieres this week. Check it out!

A reminder that we continue to be as **vigilant and careful as possible with additional protocols for Masses:**

Registering for Mass is necessary so that we can be prepared for COVID-19 tracing and to respect capacity limitations in the church. Please go to the parish website at stpaulparish.org.

Please arrive early for Mass. Registration is not a guarantee for a seat if you arrive after posted Mass times. (We want to try to accommodate those who arrive without knowledge of the registration system.)

- **When you arrive**, please help us to keep social distancing as people enter the church, especially if an usher is not readily on the scene.
- Please remember that **masks MUST be worn throughout the entire Mass.**
- Please **remember that persons cannot gather in the vestibule after Mass**; feel free to greet one another at a safe distance when you exit the doors of the church.

God bless, Fr. Kelly

**CHECK OUT WHAT'S HAPPENING
AT ST. PAUL'S**

**HELPING OUR HOMELESS BROTHERS
AND SISTERS**

The winter months mark a difficult time in the lives of the homeless community and Covid has become an added hardship. A fellow parishioner is asking for our help to make things a little easier for our homeless brothers and sisters and there are two ways to do that. 1. Put a paper or plastic bag together with basic necessities (socks, winter gloves and hats, handwarmers, hand sanitizer, toothpaste, toothbrush, Chapstick, granola bars and a bottle of water), drop the bag off in the church vestibule during scheduled Mass times and will distribute to those in need in the Harvard Square area. 2. If making a bag isn't possible, please visit the Pine Street Inn web site to make a donation or make a purchase through their Amazon Wish List. We hope that you will take part in one or both of these initiatives as we think of and care for those in the community. Contact Nancy (nnicol@stpaulparish.org) in the Parish Office with questions. **Due by February 11.**

SENDING CHEER TO THOSE WHO ARE DEAR

A parishioner had the idea to send cards/notes to those in our parish community who may not be able to join us for Mass and could be feeling separated or isolated. What a great idea! We thought Valentine's Day is the perfect opportunity to act on this. We are asking you to take a moment to write to someone. This would be a great project for families with children or those with an artistic flair; you could make a card and draw a picture along with a note. Your note would not be addressed to anyone in particular. Cards may be left in the Offertory baskets at Mass and left in the office for Nancy **no later than Feb. 7.** We will gather them together and send them along for you!

A SPIN ON THE BAKE-A-THON

The annual and popular parish "Bake a Thon" will unfortunately not take place physically at the church this year, but it can take place in the comfort and safety of your own home! The idea is to invite everyone in the parish to make a pie/bake at home during Super Bowl Weekend, **February 6 and 7,** as a parish community activity. Bake, and send pictures of the festivities to Nancy in the Parish Office (nnicol@stpaulparish.org) and we'll post them on the parish website. And because this has always been a fundraising event for the parish, we'd ask that donations of \$20 be sent to the Parish to help assist with our Confirmation program. We look forward to your being part of this great parish tradition!

LIVE THE LITURGY INSPIRATION FOR THE WEEK

Have you ever wondered what life would be like if you could see the future and know how things turn out? While it's intriguing to ponder what life would be like if we possessed this knowledge, actually knowing could easily rob us of the thrill, adventure, and soul-searching graces of our journey. Like Job, life does not always leave us on a happy note. Life experience can bring us face-to-face with our mortality and leave us with a profound sense of helplessness. We do not see the wholeness and fulfillment that will one day come and cannot grasp the certainty that a resolution to our plight will come our way. We need to learn how to reach for Jesus' hand and let him help us to our feet. Living a life of faith means realizing that we are not here to figure out life on our own. In order to drink deeply of what life presents us, we have to wrestle in the depths of our souls, agonize and search, possibly reach the lowest point of desperation, and cry out for the Divine healing we need to restore our faith, hope, and love. It is no wonder that those who are touched by God's healing power want to then serve others and show them the deeper waters that can be explored. Knowing too much can rob us of joyful surprises.
