FIFTH SUNDAY OF EASTER

Dear Friends,

Congratulations to all the Harvard students on their way to graduation as we celebrate the Baccalaureate Mass this weekend. These past many months have been a challenge for them in a particular way, and they have relied heavily on their faith and the good work at St. Paul's and the Harvard Catholic Center. We are grateful for their presence and example and promise our prayers.

Two Choir School events: this **Friday, May 7** we will be hosting an online **Day of Thanks and Giving**, which replaces our critical fundraising **Gala**. Please be sure to participate and support this incredible institution here at St. Paul's. Then on **Sunday, May 9, we will have a Spring Concert** at 3:00pm in the church: masked singers, distanced seating, one hour, and beautiful songs to Our Lady and the Holy Eucharist. We also look forward to making a video version of the concert available for those who are not there "live," also part of our fundraising efforts. Look for details soon.

On Saturday, May 8, the Harvard Catholic Forum is hosting its next online lecture in its series about the visual arts. See the website to register and for more information about the topic: **Mary in The Art of Latin America**.

Clean up from the flood in the Harvard Catholic Center and Parish Center continues. We're making final determinations about which walls, ceilings, furniture and carpets have to be replaced. The staff kitchen will have to be replaced and most rooms and hallways repainted. If insurance doesn't cover the major part of the repairs, we may have to reach out for help, but we will let you know! Thanks for your patience and prayers.

A reminder that we continue to be as **vigilant and careful as possible with safety protocols for Masses:**

Registering for Mass is necessary so that we can be prepared for COVID-19 tracing and to respect capacity limitations in the church. Please go to the parish website at stpaulparish.org.

Please arrive early for Mass. Registration is not a guarantee for a seat if you arrive after posted Mass times. (We try to accommodate those who arrive without knowledge of the registration system.)

- **When you arrive**, please help us to keep social distancing as people enter the church, especially if an usher is not readily on the scene.
- Please remember that **masks MUST be worn throughout the entire Mass**.
- Please **remember that persons cannot gather in the vestibule after Mass**; feel free to greet one another at a safe distance when you exit the doors of the church.

Blessed Easter,
Fr. Kelly

LIVE THE LITURGY INSPIRATION FOR THE WEEK

Anyone familiar with gardening knows that proper and timely pruning is essential. The health of the plant depends upon it. An unpruned tree can quickly produce suckers that zap many of the essential nutrients from its body. Pruning requires patience and vision. Studies reveal that plants often respond defensively to being pruned, displaying reactions that are similar to hurt or discomfort. Pruning is not easy but necessary. A hard lesson for us to learn is that we also need to be pruned. We become far healthier when we allow God to stretch, refine, and form us into the best version of ourselves. The fruit that then comes from our vines will be more abundant, nutritious, and robust. Left to our own devices we can easily find ourselves running amuck and spiraling out of control. Without a proper vision and trust in the Master Pruner, we will never find the contentment we desperately desire. Nor will the work of the Gospel stand a chance of succeeding.
